LETTER

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Pursuant to my conversation with Examiner Michael W. Hoye on February 3, 2004, enclosed is a request for continued examination (RCE) transmittal for the above-referenced patent application.

An Advisory action was issued on January 14, 2004 for the above-referenced application. A response to the Advisory action dated January 14, 2004 accompanying an RCE, an Interview Summary under 37 C.F.R. § 1.133(a), and a petition for extension of time under 37 C.F.R. § 1.136(a) were filed on January 29, 2004. A copy of the certificate of mailing of filing the response to the Advisory action accompanying the RCE is enclosed herewith. The RCE transmittal, however, was inadvertently and unintentionally left out of the filing of the response to the Advisory action accompanying the RCE on January 29, 2004.

Thus, the Commissioner is hereby authorized to charge the RCE fee required under 37 C.F.R. § 1.17(e) fees to Deposit Account No. 50-2455.
